# WELCOME TO THE 2025 FARM FRESH ATLAS OF WI

## HOW TO USE THE ATLAS

Welcome to the 2024 Farm Fresh Atlas of Wisconsin! This guide will help you find farms, farmers' markets, restaurants, stores, and other businesses that sell local food and use sustainable business practices. Here's how to make the most of it:

- **BROWSE THE PRINT GUIDE BY REGION** | Use the index pp. 31-32 to search.
- **VISIT FARMFRESHATLAS.ORG** | Scan the QR code to search anywhere.

## THE ATLAS PLEDGE OF COMMITMENT

To promote a sustainable food system across Wisconsin all businesses, organizations, producers, and farms pledge their commitment to:

- Operate in a way that protects and sustains natural resources.
- Provide safe and fair working conditions for employees.
- Independently manage their farm or business.
- Treat animals with care and respect, ensuring access to the outdoors.
- Support Wisconsin farmers, organizations, and local food business owners.
- Sell and promote local products, emphasizing ingredients grown or produced on Wisconsin farms.

## A BRIEF HISTORY OF THE ATLAS

When the Farm Fresh Atlas launched in 2002, we couldn't lean on our mobile phones' Google Maps to help us navigate. The first Farm Fresh Atlas was a folded booklet printed on a sheet of newsprint with 50 farms, 11 businesses, and 20 farmers' markets. REAP Food Group printed out a few thousand copies of the first Farm Fresh Atlas and handed them out at the local farmers markets. Interest rapidly grew throughout the Dane County farming community, and the number of farmers listing in the Atlas quickly doubled, then doubled again. The website version at FarmFreshAtlas.org launched in 2005. In 2008, REAP Food Group printed 35,000 copies of the Atlas, adding restaurants that served locally-produced food, and expanded the territory to most of south-central Wisconsin. Interest was also growing from other regions of the state, launching other regional Atlases in Southeast, Northern, Central, and Western Wisconsin. By 2022, there were over 500 farms, farmers' markets, CSAs, restaurants, retail businesses and organizations across Wisconsin listed in five regional Farm Fresh Atlases. Last year, the regions combined in a single Farm Fresh Atlas of Wisconsin, which you will discover in these pages. We look forward to celebrating the 25th anniversary of the Farm Fresh Atlas of Wisconsin in 2026. Come along on our journey!

# INTRODUCING REAP FOOD GROUP

## WHO IS REAP FOOD GROUP?

REAP Food Group is a Wisconsin-based nonprofit whose mission is to transform communities, economies, and lives through the power of good food. We are committed to efforts that strengthen food security and rebuild local supply chains, support sustainable small and mid-sized Wisconsin farms, connect rural and urban communities, and ensure that equitable power and inclusive voices shape access to good food in Dane County and statewide. We envision a vibrant and just food system where all people have access to good food, grown well.

## GO THE EXTRA MILE WITH US

**AIDAN COFFIN NESS** *Local Foods Coordinator, South*

*March 21, 2025 - Madison, WI.* As we are launching the 2025 Farm Fresh Atlas of Wisconsin, our team at REAP Food Group is facing unprecedented threats to our local food system. Across the country, federal funding for agriculture, food security, and schools has been suspended and revoked, creating gaps that we are doing our best to fill. A huge blow to local food purchasing came last week when we learned that two USDA programs were being cut: the Local Foods for Schools and Child Care (LFSCC) program and the Local Food Purchasing Assistance Cooperative Agreement program. The LFSCC was set to receive \$9,000,000 to support Wisconsin schools and child care facilities to purchase food directly from farmers.

Meanwhile, food banks and other food security programs will lose significant Local Food Purchase Assistance funds that ensured locally-grown meats, dairy, eggs, vegetables and fruits were available for people who need food, and that local farmers were being paid a fair price to purchase that food. Both programs benefit our community by paying farmers a fair price for the food they produce, and to ensure families in our community have local food to eat. The cuts come at a terrible time when farmers have bought seed and supplies to grow for the programs, but now have to scramble to change their planting plans.

Our team at the Farm Fresh Atlas of Wisconsin discussed how to inform people about the importance of our work and the effects these cuts will have on our food system. Throughout the pages of this Farm Fresh Atlas, you will find stories and pictures of Wisconsin farmers and their families, restaurant owners and chefs, food entrepreneurs, and organizations that are all affected in some way by widespread changes in how our government is supporting the agriculture community.

It is more important now than ever to come together as a community, to support each other, and to buy local. We hope you use these pages to find the local producers near you who are doing incredible work to feed their communities. We hope you will shop at local businesses that buy from local farmers. If you have the means, please also donate to organizations across Wisconsin that are growing our local food system. Support Healthy School Meals 4 All WI legislation, which advocates for providing all K-12 students with no-cost school meals. Last, visit your local farmers' market and connect with the people who grow your food. When dollars stay in your community you are making our local food system grow.

From all of us at the Farm Fresh Atlas of Wisconsin,

Aidan, Nealy and Addi

DOOR CREEK ORCHARD

## WI GRAIN & HAZELNUT GRANOLA

*The beauty of granola is that it suits the mood anytime of day, anytime of year. This recipe—my go-to for almost a decade in restaurants, retail, and at home—is so simple that the quality of thoughtfully grown and sourced WI ingredients really gets to shine. Select firm, juicy, acidic apples for the best contrast, or substitute with hyper seasonal fruit as it appears at your farmers' market. Make more than you think you'll need, this recipe will last up to one month.*

**Makes about 2 qts**

### DIRECTIONS

Set your oven for 300F for a low, slow, even toast.

### NUT/SEED MIX

Mix together nuts and/or seeds, oil and salt and toast until light golden brown—around 10 min—while preparing the rest of the recipe.

### GRANOLA

In a saucepan, melt syrup ingredients until liquified; stir to emulsify. Let cool and mix flaked grains and flour in a wide bowl. Add the warm liquid to the dry ingredients and combine thoroughly. Spread out in shallow layer on a parchment-lined tray. Toast about 10 minutes at a time, tossing in between each time interval, for a total of about 30 minutes. It should be consistently golden brown. Cool and toss w/ toasted seeds.

### TO SERVE

Serve with your favorite dairy or non-dairy product (even ice cream!) crushed with apple grated on cheese grater, juices and all.

### NUT/SEED MIX

any combo of hazelnuts\*, black walnuts\*, pumpkinseeds, sunflower seeds, etc. 120g

cooking oil (e.g. canola, vegetable, sunflower\*) 15g

kosher salt 2g

### SYRUP INGREDIENTS

maple syrup\* 115g

honey\* 55g

butter\* 72g

cooking oil\* 72g

kosher salt 5g

### DRY INGREDIENTS

flaked oats\* (try Heartland Craft Grains or Meadowlark Organics as available) or other flaked grain 500g

bolted flour of your choice (e.g. buckwheat, wheat, spelt) 40g

### TO FINISH

fresh apple, grated to serve

\*excellent WI options available

AGC is a regional network of farmers, millers, maltsters, bakers, chefs, food manufacturers, brewers, distillers, researchers, and advocates working together to promote a regenerative grainshed in the Midwest. Our website offers information about grains, descriptions of our key projects, a map of our members, our blog, 'Notes from the Grainshed,' and more. AGC is a project of Global Philanthropy Partnership, whose offices are in Chicago, IL.

## ASE, LLC/ASE COOPERATIVE

5087 Reeve Rd., Black Earth, WI 53515  
[asecooperative@gmail.com](mailto:asecooperative@gmail.com)

### [asecooperative.org](http://asecooperative.org)

What is ASE? ASE (Ah-Shay) is a Yoruba word meaning "so it is," "the power to make things happen," and "life force." It embodies the sacred energy that flows through all things—our intentions, our actions, and our collective movements toward liberation. ASE is the power of manifestation, the breath of our ancestors, and the affirmation of our resilience. We channel this energy into our work—building pathways for food sovereignty, sustainability, and communal well-being. We invoke ASE in our kitchens, our gardens, our healing spaces, and our organizing efforts, knowing that our liberation is not just a vision but a reality we are actively creating.

## COMMUNITY ACTION COALITION FOR SOUTH CENTRAL WISCONSIN

1902 Wright St., Madison, WI 53704  
(608) 237-1255 • [cac@cacscw.org](mailto:cac@cacscw.org)

### [cacscw.org](http://cacscw.org)

Community Action Coalition for South Central Wisconsin (CAC) is a nonprofit committed to helping individuals achieve social and economic security. Operating in Dane, Jefferson, and Waukesha Counties, our work focuses on addressing public health challenges such as food and housing insecurity. Our food assistance programs provide vital nutrition to those in need, while supporting local farmers and vendors by bridging infrastructure gaps and expanding market access. By taking a holistic approach, we ensure that our efforts create lasting impact and support the well-being of our communities. We believe everyone deserves a place to call home and food on the table.

(608) 310-7836 • [info@reapfoodgroup.org](mailto:info@reapfoodgroup.org)  
[reapfoodgroup.org](http://reapfoodgroup.org)

REAP Food Group, Inc. is a nonprofit community service organization with a mission to transform communities, economies and lives through the power of good food. We are committed to efforts that strengthen food security and rebuild local supply chains, support sustainable small and mid-sized Wisconsin farms, connect rural and urban communities, and ensure that equitable power and inclusive voices shape access to food in Dane County and statewide. We envision a vibrant and just food system where all people have access to good food, grown well.

#### **ROOTED**

517 E. Badger Rd., Madison, WI 53713  
(608) 240-0409 • [info@rootedwi.org](mailto:info@rootedwi.org)  
[rootedwi.org](http://rootedwi.org)

Rooted works to promote community-led food systems through food access, land access, and urban agriculture education. Through partnerships with local growers, schools, and community members, we create stronger, resilient, community-led food systems. Rooted stewards three Madison sites: Badger Rock Neighborhood Center, Madison School Farm, and Troy Farm and Gardens, as well as community gardens and school gardens across Madison and beyond. We believe that food brings us together and that everyone deserves the opportunity to grow and access fresh, culturally relevant food.

#### **SOMETHING SPECIAL FROM WI\***

2811 Agriculture Dr., Madison, WI 53718  
(608) 354-6146 • [datcpssfw@wisconsin.gov](mailto:datcpssfw@wisconsin.gov)  
[somethingspecialwi.com](http://somethingspecialwi.com)

The Something Special from Wisconsin™ (SSfW) program, administered by the Wisconsin Department of Agriculture, Trade and Consumer Protection, has helped its members stand out on grocery store shelves allowing consumers to connect with genuine Wisconsin products. SSfW members are local producers, certifying that at least 50% of product ingredients, production, or processing is from or completed in Wisconsin. The red and yellow program logo provides a quick way for consumers to identify high-quality member products at grocery stores, retail outlets, farmers' markets, and restaurants. The recognizable logo brings credibility to the product and builds on Wisconsin's reputation for providing quality products.

At Sustain Dane, we focus on holistic sustainability: environmental health, equity & social wellbeing, and a just economy. Our mission is to inspire, connect, and support people to accelerate sustainable actions for community wellbeing. Join us for a Sustain Dane program or membership. Change happens when inspired people take action.

#### **THE RIVER FOOD PANTRY**

2201 Darwin Rd., Madison, WI 53704  
(608) 442-8815 • [info@riverfoodpantry.org](mailto:info@riverfoodpantry.org)  
[riverfoodpantry.org](http://riverfoodpantry.org)

The River is South Central Wisconsin's busiest food pantry. Our services include free groceries and freshly prepared meals for pickup or delivery, online grocery orders, mobile meals, and after-hours food lockers. We work with local farms and farmers' markets to expand access to fresh produce. We also redistribute rescued food and resources to local partners to increase access while minimizing waste. Since 2006, The River has grown to serve over 3,000 people every week in pursuit of our vision: a fully nourished community.

#### **TRADEROOTS FARMS**

502 Troy Dr., Madison, WI 53704  
[traderoots43@gmail.com](mailto:traderoots43@gmail.com)  
[traderootsfarms.org](http://traderootsfarms.org)

TradeRoots is a Madison-based group of farmers and chefs with roots in Wisconsin and West Africa. Beginning in 2021, we're growing and cooking with crops of cultural relevance to the African diaspora in the Madison area. Our farming projects, products, and culinary events highlight the entire life cycle of locally grown heritage varieties of veggies and grains within the context of diversified small-scale farming in southern WI. Our goal is to develop viable approaches to urban farming, cooking, food preservation, and value-added processing that are accessible to everyday people and help mitigate the increasingly severe economic hardship in our city.

#### **URBAN TRIAGE**

2312 S. Park St., Madison, WI 53713  
(608) 640-7616 • [agriculture@urbantrriage.org](mailto:agriculture@urbantrriage.org)  
[urbantrriage.org](http://urbantrriage.org)

Urban Triage Agriculture Programs teach the basics of growing your own food as well as the entrepreneurial benefits/opportunities in the agriculture field. Our mission is to bring sustainability back into agriculture while providing bonding time and healing space for Black families along with opportunities and support for Black Farmers.

Hundred Acre is a unique urban farm providing a rapid response solution to food insecurity in the heart of Milwaukee. Workforce development and student apprenticeship programs are integrated to grow consistent, premium greens to be sold direct to local food businesses. A consortium of growers, technologists, and community partners ensures that the farm remains a sustainable local business. Here, buyers can finally increase their local sourcing and community support while securing year-round quality.

# ORGANIZATIONS

## HUNGER TASK FORCE

5000 W. Electric Ave., West Milwaukee, WI 53219  
(414) 777-0483

[hungertaskforce.org](http://hungertaskforce.org)

Hunger Task Force is Milwaukee's Free & Local food bank and Wisconsin's leading anti-hunger organization. We provide only healthy and culturally appropriate foods, including fresh produce grown at the Hunger Task Force Farm. As an anti-hunger public policy organization, Hunger Task Force advocates for strong federal nutrition programs that feed families and is the leading organizer for the Hunger Relief Federation of Wisconsin.

## MATC CULINARY ARTS PROGRAM

700 W. State St., Milwaukee, WI 53233

(414) 297-6004 • [creativeartspathway@matc.edu](mailto:creativeartspathway@matc.edu)

[matc.edu/course-catalog/creative-arts-design-media/culinary-arts.html](http://matc.edu/course-catalog/creative-arts-design-media/culinary-arts.html)

This program fuses the art and science of cooking with an introduction to business management. You will learn the culinary fundamentals and go on to learn to run a food-service operation by participating in the on-campus Food Advocacy Class, International Foods Luch Service, and Cuisine Restaurant, which features locally grown and sourced foods, along with offerings from our green roof garden.

# BUSINESSES

## RESTAURANTS

### COMET CAFE

1947 N. Farwell Ave, Milwaukee, WI 53207  
(414) 509-6028

[thecometcafe.com](http://thecometcafe.com)

Comet Cafe is a neighborhood diner and cafe focused on scratch-made comfort food featuring Wisconsin ingredients. We have been serving up delicious "Slow Food" since 2005.

### HONEYPIE CAFE

2469 S. Kinnickinnic Ave., Milwaukee, WI 53207  
(414) 489-7437

[honeypiecafe.com](http://honeypiecafe.com)

Honeypie was opened in 2009 and from the very beginning our goal has been to make great, Midwestern-inspired food with great Wisconsin ingredients. From our pickles to our pie crust we believe that good food is rooted in the way our grandparents used to cook. Real good food made from scratch.

### SMALLPIE

2504 E. Oklahoma Ave., Milwaukee, WI 53207  
(414) 763-7067

[smallpiemke.com](http://smallpiemke.com)

Smallpie is a counter-service cafe, plant and gift shop - serving scratch-made sweet and savory pies, cookies, and other goodies featuring Wisconsin ingredients. Our plant and gift shop showcases Wisconsin grown flowers, plants, seasonal annuals and perennials and gifts for plant and garden lovers.

## RETAIL BUSINESS

### AEPPELTREOW WINERY

1072 288th Ave., Burlington, WI 53105  
(262) 878-5345

[aepeltreow.com](http://aepeltreow.com)

Makers of elegant 'hard' ciders. Sparkling a specialty. Also draft, table and dessert. Dry to semi-sweet. Small batch whiskey and fruit brandies, too.

### OUTPOST COOP GROCERY STORE

[outpost.coop](http://outpost.coop)

Cooperatively-owned since 1970, our full-size stores feature all-natural groceries, bulk foods, produce, meat & seafood, personal care items, gifts, in-store cafes and the largest, year round selection of local products you can find in a grocery store. Everyone is welcome - anyone can shop and anyone can join the co-op. Let's own a grocery store together!

#### Bay View

## SPECIALTY PRODUCERS

### THE HIVE TAPROOM

W2463 Cty. Rd. ES, East Troy, WI 53120  
(262) 249-2306

[thehivetaproom.com](http://thehivetaproom.com) • [drinkswaggle.com](http://drinkswaggle.com)

We, at The Hive Taproom, developed Swaggle to maintain that boogie in your step. Swaggle is a source of joy, a way to spark connection and spread good vibes. As you unwind with the friends and family who know you best, know that your beverage was carefully made. From raising our bees organically and responsible honey harvesting, to using only 100% raw honey and the best ingredients, your surprisingly dry drink was carefully designed using a process minimizing the impact on your body and the planet. We welcome you to The Hive Taproom to refresh and celebrate today without sacrificing tomorrow.

Farm to School is rooted in strong School Nutrition Programs. REAP Food Group proudly supports the Healthy School Meals for All (HSM4A WI) movement, working to make school breakfast and lunch available at no cost to all Wisconsin K-12 students.

Since 2013, EB Ranch Farmstead has been committed to the heritage and critically endangered breed of San Clemente Island goats. I use regenerative farming practices, including rotational grazing to create healthy land, and raise between 15-30 Tepper Line San Clemente Island goats - a working herd of goats that serve many purposes including line preservation, milk, meat, breeding stock, tanned hides, and cleaned skulls. Sign up for the EB Ranch Farmstead newsletter to stay in the loop and look for opportunities to help with different fundraising projects centered around preserving important genetic material from these critically endangered goats.

# PIZZA NIGHT & FARMERS' MARKET

## AT YMCA CAMP ST. CROIX

**NEALY PETRICK** Local Foods Coordinator - Western WI

**A perfect place to celebrate farm fresh flavors and wood-fired pies.**

Every summer, The Farm at YMCA Camp St. Croix hosts a series of Pizza Night & Farmers Market on Thursdays from 4PM to 8PM between June and October. The event features local farmers and vendors, seasonally fresh toppings, and an opportunity to learn just how your food was grown or made. Situated on 400 acres of woods, prairies, gardens, and pine-covered bluffs overlooking the beautiful St. Croix National Scenic Riverway in Hudson, WI, The Farm at Camp St. Croix is the perfect place to enjoy a unique outdoor dining experience with family and friends.

*"We started our Pizza Night and Farmers Market in 2021," explains Farm Manager Anna Zimmer. "Our goal is to bring people together, share good food and be a safe, wholesome place for the community to gather."*

The Pizza Night & Farmers Market at Camp St. Croix is an interactive experience – It begins by purchasing a "starter" kit from the Farm Store including a box, homemade sauce and a variety of vegetables like green, red and yellow peppers picked fresh from The Farm. Once you've received the starter kit, you'll be guided through the process of purchasing additional ingredients from local farmers and vendors!

Hudson's own Carbone's Pizzeria provides homemade crusts. Eichtens Cheese, a 3rd Generation Family Farm offers an assortment of artisan style cheeses made from real pasteurized cow's milk including their Parmezaan Gouda, mozzarella, and aged cheddar cheeses. Hudco To-Go, a chef-driven deli based in downtown Hudson, has a selection of local meats perfect for pizza toppings with classics like pepperoni. With an array of fresh flavors at your fingertips, you can be as basic or creative as you'd like!

PIZZA NIGHT AT YMCA  
CAMP ST. CROIX

Once your ingredients are collected, you're invited into a big red barn to assemble the pizza yourself (putting those ingredients exactly where they should go, or potentially should not go...) When it's ready, you bring your pizza to the wood-fired oven where the Farm Staff cook it for you! There are picnic tables in the garden to sit at,

or you can bring your own blanket and find a cozy spot to savor your freshly prepared personalized pie. You also have the option to "Take and Bake" or eat one pizza on the farm and take a second home – whatever your appetite (and tastebuds) desire!

"Remember to bring your own picnic utensils and prepare for this experience to take time, especially the baking," says Zimmer.

Guests are welcome to enjoy the gardens, take a vintage wagon ride around camp, visit with sheep, chickens, and a donkey (arriving on camp at the end of June), or enjoy family time and memories galore at sundown.

The Farm at Camp St. Croix is the first nearly year-round educational farm in St. Croix Valley, allowing kids to learn and farm outside. The natural trails and beautiful facilities make this a wonderful place for kids, teens, families, and adults to connect with nature, locally grown food, and each other.

## TRANQUIL ACRES: PICK WHAT YOU NEED, PAY WHAT YOU CAN

Tranquil Acres is a family owned, pick your own produce garden and lavender farm located a few minutes south of Tomahawk, Wis. We, Bill and Heather Smith, run the farm with help from our adult daughters during the summer. We grow over 75 different fruits, herbs, and vegetables on a 5-acre fenced-in garden, along with a variety of flowers including lavender, sunflowers and pollinating wildflowers. We grow food naturally without chemicals by using natural methods of fermentation by creating our own homemade fertilizers, pesticides and herbicides. By using these practices we rejuvenate the soil, improve crop health, and reduce the toll on the environment.

Most importantly, we are a 'Pick what you need, pay what you can afford' garden and farm. Our goal is for all people to be able to afford healthy, chemical free food, and provide a welcoming safe green space for all to enjoy and to improve their lives with nature. We help you know what is ripe, how to pick, and even give cooking ideas.

We also offer Special Mondays for individuals with special needs. These people and their families may schedule a time slot on Mondays to have the farm to themselves, if your family needs this service, just call and schedule. Our lavender farm offers pick-your-own bouquets and handmade, small batch lavender products to purchase for home and body like dead sea bath salts, linen spray, floral water for skincare and essential oil products. All who visit Tranquil Acres are welcome to enjoy the many nature trails, feed the birds, paint rocks, relax in the hammock, and pack a picnic. Make it the adventure you need! Hope to see you soon!

## GARDEN SALAD RECIPE

*The main ingredients in this farm fresh salad are love, color, and natural nutrition. Also included are mixed greens, carrots, raisins, cucumbers, red onions, broccoli, orange pepper, edible flowers, snap peas, and farm fresh hard-boiled eggs. Top with olive oil, balsamic vinegar, and one more splash of love!*

### DIRECTIONS

**Dressing:** For the dressing, blend the extra virgin olive oil and balsamic vinegar in a jar and shake well. For a creamier, less tangy dressing, add more oil (to your liking.) For more tang, add more vinegar (to your liking.)

**Salad:** Place all the salad ingredients in a big bowl. Pour the dressing and toss well.

### DRESSING

2 tbsp extra virgin olive oil

½ tsp balsamic vinegar

### SALAD

mixed greens (3 to 4 handfuls)

½ cup carrots (peeled and chopped)

½ cup cucumbers (chopped)

½ cup red onions (sliced or diced)

½ cup broccoli florets

½ cup orange pepper (sliced)

snap peas

farm fresh boiled eggs (cut into quarters)

edible flowers

Ukwakhwa's mission is to help the community learn about traditional Haudenosaunee agricultural methods of planting, growing, harvesting, seed keeping, food preparation, food storage, tool making, and crafting. Our philosophy is that every time an Indigenous person plants a seed, that is an act of resistance, an assertion of sovereignty, and a reclamation of identity.

Vine and Virtue Farm is a 9 acre family farm located just outside of Green Bay's West side. Our farm is designed and operated using permaculture principles; we work with nature instead of against it. Instead of using heavy tillage, herbicides, and chemical fertilizers we choose a natural approach from the soil up. After all, healthy soil grows healthy plants, healthy animals, and healthy people!

HAYWARD FARMERS' MARKET

# edible NEW

SERVING NORTHEAST WISCONSIN

Let's get to  
growing,  
together.

*Left: The Sullivan Family: Ryan (top), Jackie (Left), and their 3 children, Emelia, Bennett and Alaina. Right: Sullivan Family Farm garlic scapes.*

## SULLIVAN FAMILY FARM

**SELENA DARROW**

*Rooted In Inc., Founder & Executive Director*

Sullivan Family Farm is a Veteran-owned farm located near Manitowoc. Ryan and Jackie Sullivan moved to the farm in 2014 from South Dakota to raise their family and grow healthy vegetables and meats for their family and community. Ryan remained in the South Dakota Air National Guard until 2021, and their farming endeavor has taken off ever since.

Their home farm encompasses 5 acres and includes 5 high tunnels and a small orchard along with 3 acres of pasture. Since 2022, they have also been renting 40 acres for grazing and market garden expansion. They raise a variety of vegetables throughout the year, using high tunnels to extend the growing season. They raise grass-fed lamb, some beef and pastured poultry. Most of their sales are direct to consumer through their on-site farm stand, but they also sell wholesale through Seasonal Harvest LLC in De Pere. The Sullivan Family was fortunate to be a part of the Wisconsin Local Food Purchase Assistance (LFPA) Program in 2023 and 2024 which allowed them to provide many of their products to Grow it Forward, a local food pantry in Manitowoc.

The Sullivans are interested in constant innovation and learning. They are incorporating larger scale vermicomposting, a deep winter greenhouse that utilizes solar to heat the rock bed for more efficient greenhouse production, using compost teas and fermentation to grow healthier, more nutritious crops, as well as using a salvaged industrial paper shredder for recycling material into bedding and mushroom beds.

Contact Jackie or Ryan Sullivan at [farmer@sullivanfamilyfarm.org](mailto:farmer@sullivanfamilyfarm.org) or visit their website [sullivanfamilyfarm.org](https://sullivanfamilyfarm.org).

## EARLY SUMMER VEGETABLE SALAD WITH CREAMY GARLIC SCAPE DRESSING

*Chef Selena Darrow, Founder and Executive Director of Rooted In Inc, uses fresh farm produce from Sullivan Family Farms in this seasonal Spring recipe.*

### DIRECTIONS

**Dressing:** Cut garlic scapes up into small pieces. Place in a food processor and blend until finely chopped. Add mayonnaise, milk, Parmesan cheese and lemon juice. Blend until well combined. Pour into a small bowl and season with Kosher salt and pepper. Set aside.

**Salad:** Using a mandolin or a sharp knife, cut beets into thin slices. Pile leaf lettuce onto a serving platter. Arrange beet slices in a single layer, overlapping slightly. Scatter with shredded carrots, blue cheese and pistachios. Season with Kosher salt and pepper; drizzle with reserved dressing before serving.

### DRESSING

- 3 local garlic scapes
- ½ cup mayonnaise
- ¼ cup local 2% milk
- 3 T grated local Parmesan cheese, such as Belgioioso
- 1 teaspoon lemon juice
- Kosher salt and pepper

### SALAD

- 2 medium local beets (chioggia, golden, white or red), ends removed & peeled
- 1 head local leaf lettuce, torn into large pieces
- 5 small or 2 medium local carrots, shredded
- 2 oz local blue cheese, crumbled, such as Carr Valley
- 2 tablespoons finely chopped pistachios

# REAP FOOD GROUP

## OUR WORK AT A GLANCE

48

Average number of resilience bags distributed weekly to Latine/Indigenous families through Farms to Families, a co-creation with Roots4Change Cooperative.

\$4K

Average monthly dollars paid to local growers in Southern Wisconsin for culturally relevant foods distributed through Farms to Families resilience bags.

22

Number of speakers who shared lessons on food justice with Madison Metropolitan School District high school classrooms, supported by a REAP grant.

500

The number of Wisconsin farmers, organizations, and businesses represented in the 2025 Farm Fresh Atlas of WI, created and managed by REAP.

*Transforming communities, economies,  
and lives through the power of good food.*
